## Stockman Project Proposal Passes Environmental Assessment

---

Independence Group NL (ASX: IGO) ("the Company") is pleased to advise that it has received notification from the Victorian Minister for Planning that the proposed Stockman Copper-Zinc Project in East Gippsland can proceed. This positive assessment marks an important milestone for the Project.

The Company is currently reviewing the Minister's recommendations, which will be incorporated into the Enhanced Feasibility Study. The Company expects to provide guidance on the outcomes from this study during November 2014.
