QUESTIONS AT THE MEETING

Please note that only Shareholders may submit questions online once they have been verified. It may not be possible to respond to all questions due to time constraints. If there are a number of questions relating to the same subject these will be collated and presented as one question. If your question is unable to be answered on the day the Company will respond to your question within a reasonable time after the close of the Meeting. A Shareholder who is entitled to vote at the Meeting may submit a written question to the Company in advance of the Meeting.

We ask that all pre-Meeting questions be received by the Company no later than five business days before the date of the Meeting, being Tuesday, 10 November 2020. Any questions should be directed to the Company Secretary at contact@igo.com.au.

TECHNICAL DIFFICULTIES

Technical difficulties may arise during the course of the Meeting. The Chairman of the Meeting has discretion as to whether and how the Meeting should proceed if a technical difficulty arises. In exercising this discretion,

the Chairman of the Meeting will have regard to the number of Shareholders impacted and the extent to which participation in the business of the Meeting is affected. Where the Chairman considers it appropriate, the Chairman may continue to hold the Meeting and transact business, including conducting a poll and voting in accordance with valid proxy instructions. For this reason, Shareholders are encouraged to lodge a proxy in advance of the Meeting, even if they plan to attend the Meeting in person or online (noting that if the Shareholder votes on a Resolution either at the physical Meeting or online via the Lumi software platform, any proxy appointed by the Shareholder is not entitled to vote, and must not vote, as the Shareholder's proxy on that Resolution).

Shareholders may experience local technical difficulties, such as poor internet connection. Please refer to the Lumi Online Meeting Guide annexed to this Notice of Meeting as Attachment D for advice on optimising the online Meeting experience.

PROXIES

A Shareholder entitled to attend and vote has a right to appoint a proxy to attend and vote instead of the Shareholder. A proxy need not be a Shareholder and can be either an individual or a body corporate. If a Shareholder appoints a body corporate as a proxy, that body corporate will need to ensure that it:

- appoints an individual as its corporate representative to exercise its powers at the Meeting, in accordance with section 250D of the Corporations Act; and
- provides satisfactory evidence of the appointment of its corporate representative prior to commencement of the Meeting.

If such evidence is not received before the Meeting, then the body corporate (through its representative) will not be permitted to act as a proxy.

A Shareholder that is entitled to cast two or more votes may appoint up to two proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If no proportion or number is specified, each proxy may exercise an equal share of the Shareholder's votes.

Any directed proxies that are not voted on a poll at the Meeting by a Shareholder's appointed proxy will automatically default to the Chairman of the Meeting, who is required to vote proxies as directed on a poll.

Members of the Key Management Personnel or their Closely Related Parties will not be able to vote as proxy on Resolutions 3, 4 and 5 unless the Shareholder tells them how to vote, or in the case of the Chairman of the Meeting, unless the Shareholder expressly authorises him to do so. If a Shareholder intends to appoint a member of the Key Management Personnel (other than the Chairman) or a Closely Related Party of a member of the Key Management Personnel as their proxy, the Shareholder should ensure that they direct the member of the Key Management Personnel or the Closely Related Party of a member of the Key Management Personnel how to vote on Resolutions 3, 4 and 5.

If a Shareholder intends to appoint the Chairman of the Meeting as their proxy for Resolutions 3, 4 and 5, Shareholders can direct the Chairman how to vote by marking one of the boxes (to vote 'for', 'against' or to 'abstain' from voting) for each of Resolutions 3, 4 and 5.

If a Shareholder appoints the Chairman as their proxy and the Shareholder does not direct the Chairman how to vote on Resolutions 3, 4 and 5, please note that by completing and returning the Proxy Form, (or if the Chairman becomes a Shareholder's proxy by default) the Shareholder will be expressly authorising the Chairman of the Meeting to exercise its undirected proxy on Resolutions 3, 4 and 5 even though they are connected with the remuneration of Key Management Personnel. The Chairman intends to vote all undirected proxies in favour of all items of business.

Voting by Attorney

EXPLANATORY MEMORANDUM TO SHAREHOLDERS

This Explanatory Memorandum, including Attachments A, B and C, has been prepared to help Shareholders understand the business to be put to Shareholders at the forthcoming Meeting.

The Corporations Act requires:

- the reports of the Directors and Auditors; and
- the annual financial report, including the financial statements of the Company for the year ended 30 June 2020 (**2020 Financial Report**),

to be laid before the Meeting. The Corporations Act does not require a vote of Shareholders on the reports or statements. However, Shareholders will be given an opportunity to raise questions or comments on the management of the Company.

The financial report for consideration at the Meeting will be the 2020 Financial Report. The 2020 Financial Report is set out in the Company's 2020 Annual Report and is also available on the Company's website (www.igo.com.au). Any Shareholder wishing to receive a copy should contact the Company's share registry and a copy will be provided.

Also, an opportunity will be given to Shareholders, as a whole, at the Meeting, to ask the Company's Auditor questions relevant to the conduct of the audit, the preparation and content of the Auditor's report, the accounting policies adopted by the Company in relation to the preparation of the financial statements, and the independence of the Auditor in relation to the conduct of the audit. The Auditor is not obliged to provide written answers.

In addition to taking questions at the Meeting, written questions to the Chairman about the management of the Company, or to the Company's Auditor about the content of the Auditor's report and the conduct of the audit may be submitted no later than five business days before the date of the Meeting to the Company Secretary at contact@igo.com.au.

The Chairman will endeavour to address as many of the more frequently raised relevant questions as possible during the course of the Meeting. However, there may not be sufficient time available at the Meeting to address all of the questions raised.

Re-election of Directors

As required by the Company's Constitution and the ASX Listing Rules, Ms. Debra Bakker and Mr. Neil Warburton, this being the third annual general meeting since their re-election at the 2017 annual general

meeting, will retire and may seek re-election. Ms. Bakker and Mr. Warburton have advised the Board that they will both seek re-election.

Mr. Warburton has reconfirmed that he has sufficient time to meet his responsibilities as a Director of IGO.

The Chairman of the meeting intends to vote all available proxies in favour of Resolution 2.

Resolution 3 – Remuneration Report

In accordance with section 250R(2) of the Corporations Act, the Company is required to present to its Shareholders the Remuneration Report as disclosed in the Company's 2020 Annual Report.

The Remuneration Report explains the Board's policies in relation to the nature and level of remuneration paid to the Key Management Personnel (including the Directors), sets out details of the remuneration and service agreements for each member of Key Management Personnel and sets out the details of any share-based compensation.

Resolution 3 is advisory only and does not bind the Directors or the Company. However, the Board will take the outcome of the vote very seriously when considering the Company's future remuneration policy.

An opportunity will be given to Shareholders as a whole, to ask questions about, or make comments on, the Remuneration Report. The Remuneration Report is set out in the Company's 2020 Annual Report and is also available within the 2020 Financial Report on the Company's website at www.igo.com.au.

For the voting exclusions applicable to this Resolution 3, please refer to the 'Voting Exclusion Statements' section of the Notice of Meeting.

Recommendation

The Board recommends that Shareholders vote in favour of adopting the Remuneration Report.

The Chairman of the Meeting intends to vote all available proxies in favour of Resolution 3.

Resolution 4 – Issue of Service Rights to Mr. Peter Bradford

Background

Resolution 4 seeks Shareholder approval for the grant of Service Rights to Mr. Peter Bradford, the Company's Managing Director, pursuant to the Company's Employee Incentive Plan (**EIP**), and otherwise on the terms and conditions set out in this Explanatory Memorandum.

The Company's remuneration policy is to ensure that executive remuneration is competitive in attracting, motivating and retaining executives of a high calibre and properly reflects the duties and responsibilities of each relevant executive. The remuneration structure used by the Company to achieve these objectives includes the combination of fixed annual remuneration and performance-related remuneration (including participation in the EIP). Additional information on the Company's incentive programs is included in the Remuneration Report.

The ASX requires, under ASX Listing Rule 10.14, that Shareholders approve the issue of securities to a director under an employee incentive plan.

Accordingly, Shareholder approval is sought for the grant of Service Rights to Mr. Bradford as set out below.

Number of Service Rights

Each year, the Board sets key performance indicators (**KPIs**), both for the Company and individuals. The delivery of these KPIs is used to determine a short-term incentive (**STI**) score. This score is used to calculate the STI cash payment and the number of long-term incentive (**LTI**) Service Rights. In FY20, the Board re-categorised this deferred compensation of Service Rights as an LTI to highlight the importance of this element of the executive remuneration which is designed to both encourage the retention of executives and to align executive remuneration with long-term value creation for Shareholders.

The number of Service Rights to be granted to Mr. Bradford in respect of FY20 will be 71,188. The number of Service Rights was determined based on the following formula:

$(TFR \times 0.5) \times STI \text{ score for FY20} / IGO \text{ 5-day VWAP (after release of FY20 financial statements)}$.

$$71,188 = ((\$870,000 \times 0.5) \times STI \text{ score of } 73)^1 / \$4.46$$

1 Rounded down to nearest '000

Shareholders should be aware that as the Service Rights defer a portion of Mr. Bradford's incentive remuneration for FY20, which has already been earned and otherwise would have been paid to Mr. Bradford in cash, if Resolution 4 is not passed for any reason, the Company intends to pay Mr. Bradford the value of the Service Rights in full as ordinary income.

Terms of Service Rights

All Service Rights granted will be on terms consistent with the rules of the EIP. A summary of the key terms of the EIP is contained in Attachment C. A full copy of the EIP is available to Shareholders from the Company's share registry on request.

No consideration is payable by Mr. Bradford at the time of grant of the Service Rights or upon the allocation of ordinary shares to which Mr. Bradford may become entitled upon Service Rights vesting. Each Service Right will entitle the holder to one fully paid ordinary share in the Company at no cost, subject to satisfaction of any restrictions as described below.

Grant Date	Date of Shareholder approval of this Resolution 4 (if approved)
Vesting Date	Tranche 1 (50% of the Service Rights) – 1 September 2021 Tranche 2 (50% of the Service Rights) – 1 September 2022
Expiry Date	1 September 2035 for both Tranche 1 and Tranche 2 Service Rights
Vesting Conditions	Continuous service with the Group to the vesting date

Other Conditions

The Board has absolute discretion to adjust Service Rights vesting if, on assessment, service or behaviour criteria have not been met.

Unvested Service Rights may, in certain circumstances, vest early in accordance with the terms of the EIP, and any leaver's policy that may apply from time to time, as approved by the Board.

The Board's previous practice has been to only exercise its discretion:

- where the employee leaves employment without fault on their part; and
- so as only to preserve that number of unvested employee share scheme interests, which then get tested in the same way as if the employee had remained and only vest to the extent that the performance hurdles are met.

However, this previous practice does not limit the Board's discretion, including its discretion to vest unvested employee share scheme interests early in appropriate cases.

Any dealing in Shares is subject to the constraints of Australian insider trading laws and the Company's Dealing in Securities Standard. Mr. Bradford is specifically prohibited from hedging the Service Rights during the vesting period.

The EIP contains malus and clawback provisions that give the Board discretion to reduce or reclaim unvested and vested entitlements in certain circumstances, including where Mr. Bradford has acted fraudulently or dishonestly, or is in breach of his obligations to the Group.

ASX Listing Rule 10.15 additional information requirements

ASX Listing Rule 10.15 requires the following additional information regarding the EIP to be included in this Explanatory Memorandum:

- Subject to Shareholder approval being obtained, the maximum number of Service Rights (and hence ordinary shares) that the Company may issue to Mr. Bradford will be 71,188. The number of Service Rights has been determined by applying the STI score to the maximum percentage of service rights achievable, which totals \$317,500, and dividing by the 5-day VWAP of IGO shares after release of IGO's FY20 financial statements.
- Mr. Bradford's current total remuneration package is set out below:

Total Remuneration FY21		
TFR \$	STI % ¹	LTI % ²
870,000	50	150

1. Maximum achievable paid as cash

2. Maximum achievable (50% Service Rights, 100% Performance Rights)

Shareholders are referred to the Remuneration Report for full details of Mr. Bradford's remuneration.

- No consideration is payable by Mr. Bradford at the time of grant of the Service Rights or upon the allocation of the ordinary shares to which Mr. Bradford may become entitled upon exercise of the vested Service Rights.
- Mr. Bradford has previously been awarded 143,074 Service Rights under the EIP since 2016 at no cost as part of his remuneration in previous years.

Year	# Service Rights ¹
2017	49,858
2018	43,230
2019	40,986

1. 2017 was the first year Service Rights were awarded.

- The Company uses Service Rights under the EIP because it aligns remuneration with long-term value creation for shareholders as well as encouraging retention whilst not providing employees with the full benefits of share ownership (such as dividend and voting rights) unless and until the rights vest and are exercised.
- The other directors of the Company (being Mses. Bakker and Bozanic and Messrs. Bilbe, Buck, Spence and Warburton) are entitled to participate in the EIP, though the Company has not sought Shareholder approval for such an issue and they have not received any securities under the EIP to date. It is the current intention of the Board that Non-executive Directors will not participate in the EIP.
- The voting exclusion statement in relation to Resolution 4 is included in the 'Entitlement to Vote' section of the Notice of Meeting.
- No loans will be made by the Company in connection with the acquisition of Service Rights or ordinary shares upon the vesting of Service Rights by Mr. Bradford.
- The Company will issue the Service Rights to Mr. Bradford as soon as practicable following the Meeting and no later than 12 months after the Meeting.
- Details of any Service Rights issued under the EIP will be published in the Company's Annual Report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of Service Rights under the EIP after this resolution is approved and who are not named in this Notice of Meeting will not participate until approval is obtained under that rule.

Corporate Governance

Mr. Bradford is an executive director of the Company. Commentary to Recommendation 8.2 of the ASX Corporate Governance Council's Principles and Recommendations encourages ASX listed companies to establish remuneration packages that involve a balance between short-term and long-term performance objectives. In the Board's view, the issue of these Service Rights to Mr. Bradford is an appropriate means of achieving these objectives. The Board also considers that encouraging senior executives, including Mr. Bradford, to hold security interests in the Company aligns their interests with Shareholders.

Dilution

The Service Rights to be issued to Mr. Bradford will have a diluting effect on the percentage interest of existing Shareholders' holdings. The diluting effect of these Service Rights is less than 0.013% of the Company's current share capital.

The Board has formed the view that remuneration in the form of the Service Rights to be granted to Mr. Bradford is reasonable given the Company's circumstances, and Mr. Bradford's circumstances (including his responsibilities). The Board is of the opinion that the terms of issue of the Service Rights to Mr. Bradford are reasonable.

Voting Exclusions

For the voting exclusions applicable to this Resolution 4, please refer to the 'Voting Exclusion Statements' section of the Notice of Meeting.

Recommendation

The Board (with Mr. Bradford abstaining) recommends that Shareholders vote in favour of Resolution 4.

The Chairman of the Meeting intends to vote all available proxies in favour of Resolution 4.

Resolution 5 – Issue of Performance Rights to Mr. Peter Bradford

Background

Resolution 5 seeks Shareholder approval for the grant of Performance Rights to Mr. Peter Bradford, the Company's Managing Director, pursuant to the EIP, and otherwise on the terms and conditions set out in this Explanatory Memorandum.

The Company's remuneration policy is to ensure that executive remuneration is competitive in attracting, motivating and retaining executives of a high calibre and properly reflects the duties and responsibilities of each relevant executive. The remuneration structure used by the Company to achieve these objectives includes the combination of fixed annual remuneration and performance-related remuneration (including participation in the EIP). Additional information on the Company's incentive programs is included in the Remuneration Report.

The ASX requires, under ASX Listing Rule 10.14, that Shareholders approve the issue of securities to a director under an employee incentive plan.

Accordingly, Shareholder approval is sought for the grant of Performance Rights to Mr. Bradford as set out below.

Number of Performance Rights

The number of Performance Rights to be granted to Mr. Bradford will be 182,773. This number was set by the Board in the context of considering Mr. Bradford's remuneration package, of which Performance Rights form a part. The Company's People and Performance Committee recommended, and the Board resolved, that the value of Mr. Bradford's annual total fixed remuneration (including superannuation) (**TFR**) for the year ending 30 June 2021 should be \$870,000 per annum.

The number of Performance Rights determined was calculated as follows:

$$(\text{TFR} \times 1.0) / 20\text{-day VWAP up to and including 27 August 2020, being } \$4.76$$

Terms of Performance Rights

All Performance Rights granted will be on terms consistent with the rules of the EIP. A summary of the key terms of the EIP is contained in Attachment C. A full copy of the EIP is available to Shareholders from the Company's share registry on request.

No consideration is payable by Mr. Bradford at the time of grant of the Performance Rights or upon the allocation of ordinary shares to which Mr. Bradford may become entitled upon Performance Rights vesting. Each Performance Right will entitle the holder to one fully paid ordinary share in the Company at no cost, subject to satisfaction of the performance hurdles described below.

Performance Hurdles

The Performance Rights will vest and convert into ordinary shares if, over the three-year measurement period (being 1 July 2020 to 30 June 2023), the performance hurdles are achieved. Performance Rights that have not vested where the performance hurdle has not been satisfied or waived by the expiry date, will automatically lapse.

The performance hurdles that the Board has determined will apply to the Performance Rights are summarised in the table below and described in further detail below:

Performance Hurdle	Weighting
The Company's relative total shareholder return (TSR) measured against a determined comparator group (Relative TSR Performance Rights)	25%
The Company's absolute TSR measured against specific thresholds (Absolute TSR Performance Rights)	25%
Reserve growth per share	25%
EBITDA average margin	25%

Relative TSR Performance Rights

The Relative TSR Performance Rights will be determined based on a percentile ranking of the Company's TSR results relative to the TSR of each of the companies in the comparator group over the same three-year measurement period.

TSR measures the return received by Shareholders from holding ordinary shares over the relevant performance period (**Performance Period**), calculated as follows:

$$\text{TSR} = ((B - A) + C) / A$$

Where:

- A = the Market Value of the share at the start of the Performance Period
- B = the Market Value of the share at the end of the Performance Period
- C = the aggregate dividend amount per share paid during the Performance Period

Market Value is calculated as the 20-day VWAP of the share ending on the day prior to the start or end of the Performance Period.

The comparator group will be a peer group comprised of members of the S&P ASX 300 Metals and Mining Index as well as several mining companies listed on the Toronto Stock Exchange (**TSX**) and the New York Stock Exchange (**NYSE**). The current list of the comparator group is set out in Attachment A. The Board has discretion to adjust the peer group from time to time in its absolute discretion.

The vesting schedule for 25% of the Performance Rights subject to relative TSR testing is as follows:

Relative TSR performance	TSR Scorecard (Level of vesting)
Less than 50th percentile	0%
Between 50th and 75th percentile	50% plus pro-rata straight line percentage between 50% and 100%
75th percentile or better	100%

Absolute TSR Performance Rights

The Absolute TSR Performance Rights will be determined based on an increase in absolute TSR over the three-year measurement period.

The vesting schedule for 25% of the Performance Rights subject to absolute TSR testing is as follows:

Absolute TSR performance	TSR Scorecard (Level of vesting)
10% per annum return	33%
Above 10% per annum and below 20% per annum return	Straight line pro-rata between 33% and 100%
Above 20% per annum return	100%

Reserve growth per share

The reserve growth per share performance condition will be determined as managed ore reserve growth in excess of depletion over the three-year measurement period. References to 'Baseline Ore Reserves' means IGO's managed nickel equivalent ore reserve at the start of the performance period as determined by the Board.

The vesting schedule for 25% of the Performance Rights subject to reserve growth per share testing is as follows:

Growth in Managed Ore Reserves per share performance	Level of vesting
<90% of Baseline Ore Reserves	0%
90% of Baseline Ore Reserves	33%
Above 90% of Baseline Ore Reserves and below 100%	Straight-line pro-rata between 33% and 66%
100% Baseline Ore Reserves	66%
Above 100% of Baseline Ore Reserves and below 120%	Straight-line pro-rata between 66% and 100%
120% and above Baseline Ore Reserves	100%

EBITDA average margin

The EBITDA average margin will be measured over the three-year measurement period.

The vesting schedule for 25% of the Performance Rights subject to EBITDA average margin testing is as follows:

Group EBITDA Margin	Level of vesting
<20%	0%
≥ 20%	33%
≥ 30%	66%
≥ 40%	100%

In determining the Company's performance against the reserve growth and EBITDA average margin targets, the Board has discretion in relation to its calculations and may include or exclude items, or adjust outcomes, in a manner that is consistent with the intent and purpose of the relevant target.

Other Conditions

The Board has the discretion to reduce the number of Performance Rights vesting, even to zero, in the event that relative TSR performance is met but absolute TSR is negative over the performance period.

Unvested Performance Rights may, in certain circumstances, vest early in accordance with the terms of the EIP, and any leaver's policy that may apply from time to time, as approved by the Board.

The Board's previous practice has been to only exercise its discretion:

- where the employee leaves employment without fault on their part; and
- so as only to preserve that number of unvested employee share scheme interests, which then get tested in the same way as if the employee had remained and only vest to the extent that the performance hurdles are met.

However, this previous practice does not limit the Board's discretion, including its discretion to vest unvested employee share scheme interests early in appropriate cases.

Any dealing in shares is subject to the constraints of Australian insider trading laws and the Company's Dealing in Securities Standard. Mr. Bradford is specifically prohibited from hedging Performance Rights during the vesting period.

The EIP contains malus and clawback provisions that give the Board discretion to reduce or reclaim unvested and vested entitlements in certain circumstances, including where Mr. Bradford has acted fraudulently or dishonestly, or is in breach of his obligations to the Group.

ASX Listing Rule 10.15 additional information requirements

ASX Listing Rule 10.15 requires the following additional information regarding the EIP to be included in this Explanatory Memorandum:

- Subject to Shareholder approval being obtained, the maximum number of Performance Rights (and hence ordinary shares) that the Company may issue to Mr. Bradford will be 182,773. The number of Performance Rights has been determined by dividing the face value of Mr. Bradford's TFR (\$870,000) by the 20-day VWAP IGO shares up to and including 25 August 2020.
- If Shareholder approval is not obtained for Resolution 5, then, subject to the achievement of the relevant performance and service conditions, it is intended that the Performance Rights will be provided to Mr. Bradford in cash at the end of the relevant performance period, equivalent in value to the Performance Rights he would have received had shareholder approval been received.
- Mr. Bradford's current total remuneration package is set out below:

Total Remuneration FY21		
TFR \$	STI % ¹	LTI % ²
870,000	50	150

1. Maximum achievable paid as cash

2. Maximum achievable (50% Service Rights, 100% Performance Rights)

Shareholders are referred to the Remuneration Report for full details of Mr. Bradford's remuneration.

- No consideration is payable by Mr. Bradford at the time of grant of the Performance Rights or upon the allocation of the ordinary shares to which Mr. Bradford may become entitled upon vesting of the Performance Rights.
- Mr. Bradford has previously been awarded 782,759 Performance Rights under the EIP at no cost as part of his remuneration in previous years.

Year	# Performance Rights
2016	135,000
2017	266,667
2018	218,475
2019	162,617

- The Company uses Performance Rights under the EIP because it aligns remuneration with long-term value creation for shareholders as well as encouraging retention whilst not providing employees with the full benefits of share ownership (such as dividend and voting rights) unless and until the rights vest and are exercised.
- The other directors of the Company (being Mses. Bakker and Bozanic and Messrs. Bilbe, Buck, Spence and Warburton) are entitled to participate in the EIP, though the Company has not sought Shareholder approval for such an issue and they have not received any securities under the EIP to date. It is the current intention of the Board that Non-executive Directors will not participate in the EIP.
- The voting exclusion statement in relation to Resolution 5 is included in the 'Entitlement to Vote' section of the Notice of Meeting.
- No loans will be made by the Company in connection with the acquisition of Performance Rights or ordinary shares upon the vesting of Performance Rights by Mr. Bradford.
- The Company will issue the Performance Rights to Mr. Bradford as soon as practicable following the Meeting and no later than 12 months after the Meeting.
- Details of any Performance Rights issued under the EIP will be published in the Company's Annual Report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of Performance Rights under the EIP after this resolution is approved and who are not named in this Notice of Meeting will not participate until approval is obtained under that rule.

Corporate Governance

Mr. Bradford is an executive director of the Company. Commentary to Recommendation 8.2 of the ASX Corporate Governance Council's Principles and Recommendations encourages ASX listed companies to establish remuneration packages that involve a balance between short-term and long-term performance objectives. In the Board's view, the issue of Performance Rights to Mr. Bradford is an appropriate means of providing these long-term performance objectives. The Board also considers that the retention of high quality and well-credentialed executive directors, like Mr. Bradford, is essential to the ongoing development and success of the Company and its projects.

Dilution

The Performance Rights to be issued to Mr. Bradford will have a diluting effect on the percentage interest of existing Shareholders' holdings. The diluting effect of these Performance Rights is less than 0.031% of the Company's current share capital.

The Board has formed the view that remuneration in the form of the Performance Rights to be granted to Mr. Bradford is reasonable given the Company's circumstances, and Mr. Bradford's circumstances (including his responsibilities). The Board is of the opinion that the terms of issue of the Performance Rights to Mr. Bradford are reasonable.

Voting Exclusions

For the voting exclusions applicable to this Resolution 5, please refer to the 'Voting Exclusion Statements' section of the Notice of Meeting.

Recommendation

The Board (with Mr. Bradford abstaining) recommends that Shareholders vote in favour of Resolution 5.

The Chairman of the Meeting intends to vote all available proxies in favour of Resolution 5.

ACTION TO BE TAKEN BY SHAREHOLDERS

Shareholders should read this Explanatory Memorandum carefully and in full before deciding how to vote on the Resolutions. A Proxy Form is attached to the Notice of Meeting. All Shareholders are invited and encouraged to attend the Meeting either in person or online via the Lumi software platform. Shareholders who are unable to attend in person or online are encouraged to sign and return the Proxy Form to the Company in accordance with the instructions provided. Lodgement of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting either in person or online via the Lumi software platform (but if the Shareholder votes on a Resolution either at the physical Meeting or online via the Lumi software platform, any proxy appointed by the Shareholder is not entitled to vote, and must not vote, as the Shareholder's proxy on that Resolution).

ATTACHMENT C – SUMMARY OF EIP KEY TERMS AND KEY POLICY SETTINGS

Eligibility

The Board has the discretion to determine who is eligible to participate in any offer under the EIP.

Vesting conditions

The vesting of any securities issued under the EIP, excluding Exempt Share Awards (as defined in the rules of the EIP), may be conditional on the satisfaction of performance and/or service conditions as determined by the Board and advised to the employee in the individual's offer documents.

Exercise of securities

A participant will be entitled to exercise vested securities issued under the EIP in accordance with the terms contained in the invitation to the individual. The terms of the invitation may provide that EIP securities will be automatically exercised on vesting.

Price

Securities issued under the EIP may be issued at no cost to the participants. Options may be subject to payment of an exercise price by the participant which is determined by the Board and advised to the participant in the individual's offer documents.

Lapse/forfeiture

Securities issued under the EIP will lapse or be forfeited in accordance with the terms of any individual EIP award. This may include, for example, lapse or forfeiture due to failure to meet conditions, the occurrence of events such as cessation of employment or a change of control, or the expiry of EIP securities.

Board may elect to settle in cash

If the Board determines that it is not appropriate for tax, legal, regulatory or compliance reasons to issue or transfer Shares upon satisfaction of its obligations under the EIP, the Company may make a cash payment to the participant in accordance with the terms of the EIP for equivalent value.

Waiving the restricted period

The Board may waive or shorten the restriction period applicable to securities issued under the EIP, as contained in the offer to the participant.

Change of control

On the occurrence of a change of control, the Board will determine, in its sole and absolute discretion, the manner in which vested and unvested securities issued under the EIP shall be dealt with which may include pro-rata vesting.

Cessation of employment

The Board, in its discretion, may determine that some or all unvested securities lapse, are forfeited, vest (immediately or subject to conditions), are only exercisable for a prescribed period and will otherwise lapse, and/or are no longer subject to some of the restrictions that previously applied, as a result of a participant ceasing to be an employee of the Group.

Malus and clawback

The EIP contains discretions that allow the Board to reduce or clawback unvested and vested entitlements in certain circumstances, including in the case of fraud, dishonesty, gross misconduct, bringing the Group into disrepute, breach of obligations to the Group, material financial misstatements, where warranted due to risk behaviour, or other circumstances under law or Group policy. The EIP also allows the Board to reduce unvested awards where vesting is not justified or supportable for performance or other specified reasons.

No dealing or hedging

Dealing restrictions apply to securities issued under the EIP in accordance with the rules of the EIP and the Company's Dealing in Securities Standard. Participants are prohibited from hedging or otherwise protecting the value of unvested securities issued under the EIP.

Rights attaching to Shares

Shares issued under the plan will rank equally for voting, dividends and other entitlements, be subject to any restrictions imposed under the rules and otherwise rank equally with the existing Shares on issue at the time of allotment.

Company may issue or acquire shares

The Company may, in its discretion, either issue new shares or acquire shares already on issue, or a combination of both, to satisfy the Company's obligations under the EIP.

Adjustments

Prior to the allocation of shares to a participant upon vesting or exercise of securities issued under the EIP, the Board may make any adjustment it considers appropriate to the terms of securities in order to minimise or eliminate any material advantage or disadvantage to a participant resulting from a corporate action such as a capital raising or capital reconstruction.

Limits on securities issued

Securities will not be granted under the EIP if it is an issue of securities that combined with all other employee share scheme interests outstanding would exceed 15% of the Company's then outstanding issued capital.

Continued operation of the plan

The plan may be suspended, terminated or amended at any time by the Board, subject to any resolution of the Company required by the ASX Listing Rules.

YOUR VOTE IS IMPORTANT

For your proxy appointment to be effective it must be received by **12:00pm (WST) Monday, 16 November 2020.**

Proxy Form

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

SIGNING INSTRUCTIONS FOR POSTAL FORMS

Individual: Where the holding is in one name, the securityholder must sign.

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.

Power of Attorney: If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.

Companies: Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held. Delete titles as applicable.
